## Details

PAA's IT Department maintains all the desktop computers, laptops, servers, printers and copiers, as well as writing custom software for all PAA systems. One of their major roles is providing support to PAA employees. Some of the systems they have written are Membership, Title, Education, Meetings and Conventions, Insurance, Foundation, as well as the CompuSpecctions SIRPAWEB application for our members vehicle inspection needs. In addition, they are responsible for
