PENNSYLVANIA AUTOMOTIVE ASSOCIATION

TO: Automotive Technology Students

RE: Pennsylvania Automotive Association Automotive Technology Scholarships

The Pennsylvania Automotive Association, through a fund within the PAA Foundation, awards scholarships to young people to develop the skills necessary to work as a technician in the new retail motor vehicle industry in Pennsylvania. Applicants should demonstrate their interest in pursuing a career in automotive technology through their acceptance to an automotive training program and the support of a sponsoring Pennsylvania new car or truck dealer.

The PAA Automotive Technology Scholarships are available to students who are currently enrolled in, or seeking enrollment in, an automotive technology program.

Recipients enrolled in degree programs at community colleges or four year universities, or non-degree certificate post-secondary training programs, in Pennsylvania will receive awards of up to \$5,000 per year for a maximum of two years.

Applicants must satisfy the criteria listed on the enclosed forms and provide all requested information.

Applications must be postmarked by March 1, 2020, and mailed with appropriate postage to:

PAA Scholarship Application – Automotive Technology
PO Box 2955
Harrisburg, PA 17105

If you have any questions or need additional information, please contact Kelly Fromuth at (717) 255-8311, extension 3342 or KFromuth@paa.org or Melanie Stine at extension 3327 or MLStine@paa.org.

Pennsylvania Automotive Association

GUIDELINES FOR APPLICATION

The PAA Automotive Technology Scholarship is awarded to students based on their interest in pursuing a career in automotive technology as demonstrated by their acceptance to an automotive training program and the support of a **sponsoring Pennsylvania new car or truck dealer**. To be considered sponsored, a student has the support of a Pennsylvania new car or truck dealer who provides at least 200 hours per year of work to the student while they pursue their education. The scholarships can be used at four year colleges or universities, community colleges or technical schools in Pennsylvania that offer manufacturer specific training.

The scholarship is available for tuition, fees, books, tools and other eligible educational expenses.

The Foundation does not pay scholarships to individuals, but instead authorizes the grant to be paid directly to the institution to be credited to the individual student's account. Recipients must be full-time students with at least 12 credits per semester.

The PAA Scholarship Committee will award scholarships based on the following criteria:

1. Recipient must be employed and/or sponsored by a franchised new car or heavy-duty truck dealership in Pennsylvania with the dealership providing at least 200 hours per year of work to the student.
2. Academic achievement of a cumulative GPA of 2.0 or higher on a 4.0 scale.
3. Involvement in extracurricular activities such as: sports, organizations, clubs or community service.

The scholarship is automatically renewed for the second year if the recipient continues to be enrolled as a full time student in good standing with a GPA of 2.0 or higher and is sponsored by a Pennsylvania new car or truck dealership.

Required Attachments

- Completed Student Background Sheet
- 2 Completed Essay Questions
- 1 Completed Survey from a non-related instructor, mentor or manager (**Faxed to 717-255-8340**)
- 1 non-related letter of recommendation, **from someone other than the person completing the survey**, discussing the applicant's qualities which will allow him/her to succeed in an automotive technology program.
- Official High School or College Transcript with raised school seal
- New Vehicle Dealer Sponsorship Form

Two disbursements of \$2,500.00 will be paid for the fall and spring semester during each applicable academic year. The disbursements are paid to the post-secondary institution after the drop/add timeframe, which is mid-September and mid-January. Prior to disbursement, PAA must receive a copy of the school invoice and student transcripts. Both the invoice and transcripts must be received for every disbursement. Student must supply documentation of enrollment/matriculation from the institution prior to the first disbursement. **It is the student's responsibility to provide transcripts and invoices to PAA every semester. PAA will not contact the school for disbursement documentation.**

This application and the required attachments must be completed and returned on or before March 1, 2020. **Incomplete applications will not be considered.**

The applications will be reviewed by a committee and the winners will be notified by mail no later than May 1, 2020.

The application should be completed and submitted with supporting materials to PAA Scholarship Application – Automotive Technology, PO Box 2955, Harrisburg, PA 17105.
