Online Freon/Mobile A/C Certification Training and Testing Program

For the past 10 years automobile dealerships have had to recycle or reclaim automotive refrigerants. Therefore, any automotive technician who repairs or services a motor vehicle air conditioning system must be trained and certified through a U.S. EPA approved program.

- **User-Friendly System**
- **Time Saving Resource**
- **Convenient for Technicians**

***System provides required study guides
along with an easy-to-use testing format.***

MEMBER PRICE: \$14.00 per student**

NON-MEMBER PRICE: \$20.00 per student**

**The fee is for the completion of the test. If you fail the test, the fee must be paid for all retests.
