

Online Basic Notary Public Training Course

Easy-to-use, self-paced format

PAA's online training is designed into two modules:

Module 1: Course

Module 2: Final Quiz

The course provides easy to follow learning content along with practice questions found throughout the course. After completing the course module, students proceed to the final quiz which determines your level of understanding of the learning content. A Certificate of Education can be printed at the conclusion of passing the final quiz with a score of 70% or better. Your Certificate of Education will also be mailed to you.

Approved RULONA Basic Notary Public Course by the Department of State: Education Requirement

Due to the Revised Uniform Law on Notarial Acts (RULONA) taking effect on October 26, 2017, all applicants, both initial (new) appointment and reappointment, must take an approved notary education course. All applicants must, within the six month period immediately preceding application, complete a course of at least three hours of notary public basic education approved by the department.

User Agreement

The following agreement describes the terms and conditions on which PAA Services, Inc. offers its services. You must agree to these terms and conditions before being provided with login information for the Online Notary Course.

The purpose of this course is to provide students with a general overview of the subject matter and aimed at helping you and your employer comply with government training regulations. Ensuring that employees meet the training requirements is ultimately the employer's responsibility. It is the student's responsibility to complete a course in its entirety.

Certificate of Education

A "Certificate of Education" from PAA Services, Inc. indicates that the student has completed the requirements of the course. A certificate from PAA Services, Inc. does not guarantee that a student possesses a minimum level of skills or knowledge regarding the subject matter. It is the employer's responsibility to assess the employee's level of skill or knowledge and determine whether an employee is qualified to perform a specific job or function.

Limit of Liability

By registering for this course, the student and student's employer agree that PAA Services Inc. shall not be held liable for any type of loss or damage that could be construed as arising from this course. PAA Services, Inc. does not take responsibility and shall not be held liable for inappropriate use or application of information or instruction provided in this course.

Copyright

All material contained on the PAA web site is protected by copyright law. The student and the student's employer agree not to copy or distribute any materials contained in the courses.

Honor Code

PAA Services, Inc. trusts in the integrity of the student to observe the honor code. The honor code is based on the assumption that the student will be honest when taking any assessments or exams. The student agrees that only he or she will take the quizzes and complete required exercises and that he or she will not distribute or share quiz questions or provide answers to other students enrolled in the course.

Passwords

Students may not disclose or share their password with others, and will notify PAA Services, Inc. if he or she believes that his or her password has been compromised.
