

## VehicleTech

VehicleTech is an online resource combining information from the PA Inspection Manual, Safety and Emissions Bulletins, PAA Service Updates and Title 67 and 75 regulations. These resources have been compiled in one location to provide you with the latest rules and regulations. The site discusses all of the inspection categories and breaks them down to help you understand what is expected of inspection personnel today.

PA Automotive, Collision and Diesel Instructors are provided with a complementary subscription to VehicleTech. If you do not have a current subscription, please email Jessica Charles at [jcharles@paa.org](mailto:jcharles@paa.org) to receive login instructions.

VehicleTech website: [www.vehicletechusa.com](http://www.vehicletechusa.com)

The screenshot shows the VehicleTech website homepage. At the top center is the "VehicleTech" logo, with "Vehicle" in black and "Tech" in red, underlined with a double-line effect. Below the logo is a white box containing the following text: "PAA announces VehicleTech, an online resource combining information from the PA Inspection Manual, Safety and Emissions Bulletins, PAA Service Updates, and Title 67 and 75 regulations." To the right of this text is a red button labeled "LOGIN". Below this is another line of text: "To access VehicleTech's online archives, you will need a login and password. Click the 'Sign Up' button to purchase your subscription today." To the right of this text is a red button labeled "SIGN UP". Below this is a section with three columns. The first column is titled "Why VehicleTech?" and contains two paragraphs of text. The second column is titled "Rules and Regulations" and contains one paragraph. The third column is titled "Tour VehicleTech" and contains one line of text with a link. At the bottom center of the white box is the copyright notice: "© Copyright 2020. VehicleTechUSA.com.
